

In line with University policy, parking permits will only be issued to those who have a legitimate reason for having a car in Cambridge which means you must meet at least one of the by following criteria:

- An attested medical condition which means you have difficulty cycling or walking
- Working in one of the more distant parts of the University e.g. West Suffolk Hospital, Babraham Institute
- A clinical veterinary or medical student who has to work 'shifts' at the veterinary school or Addenbrookes Hospital

Name:

Address in Cambridge:
(please put room number if living in College)

I wish to apply for a Car Parking Permit under the following criteria (please tick as appropriate and provide more detailed information below):
